

MARCH 29, 2020

Neighborhoods and Nations

In the middle of a global crisis, you may feel like there's little you can do to help, but that isn't true! We have an incredible opportunity to be the people of God and let our gospel light shine in a dark season. Our Sending team wants to come alongside you and suggest ways you can impact your local community and people around the world. Here's what you can do this week:

LOCAL

→ [Bless Every Home](#) is an online resource that can help equip you to be a light in your neighborhood. After signing up, you'll receive a map and a list of your closest neighbors, along with emails reminding you to pray for them. When you get a chance, walk or drive by those homes as you pray for them. You can also connect your account to TVC so you're able to see anyone else who is praying and caring for homes near you.

→ Know someone in need of prayer? We have a new [prayer page](#) on our website where those in need can submit requests to be prayed over by our staff, elders, deacons, and Prayer team.

→ Are you a Covenant Member who is able to help meet the needs of others? [Sign up to help](#).

GLOBAL

→ Interested in what God is doing around the world? Join us on **Sunday, March 29, at 7 p.m.** for a Zoom call where you and your household can hear directly from one of our missionaries! You'll be able to hear how the Lord is using them to further the gospel in their region. You can use [this link](#) to join the call. We hope to do this every Sunday during this season!

→ Pray for the Caudle family, missionaries in Taiwan:

- *For wisdom as they lead their new church plant*
- *That Taiwanese people would come to know Jesus*
- *That Taiwanese men would step up as leaders*

→ Pray for the Smith family, missionaries in Africa:

- *For wisdom and direction regarding COVID-19*
- *For safety and protection for their team*
- *That Christ would continue to build His Church among unreached people*
- *For their teammates' newborn daughter who is facing life-threatening complications*

→ Visit [Prayercast](#) to find videos about specific countries and learn how you can pray for them.
