Neighbor to Nations

In the middle of a global crisis, you may feel like there's little you can do to help, but we can still be the people of God, lights shining in a dark season. Our Sending team wants to come alongside you with suggested ways to love near and far. Here's what you can do this week:

LOCAL

How You Can Pray

- Pray that God would draw those around you nearer to Him.
- Pray for people in your neighborhood who are struggling due to sickness, loss of a job, or reduced finances.
- Pray that God would use you to be a gospel light and witness to your neighborhood.

What to Do

- If you or someone you know in our community is struggling with groceries or supplies, [let us know](#) so we can help.
- Order dinner from a local restaurant! Make a card or drawing for the owner or employees telling them that you are praying for them. If possible, offer to pray over the person who takes your order or delivers your food.
- It's never been easier to share the gospel with others. Check out this simple and helpful [resource](#) that walks you through turning everyday conversations into spiritual ones.
- Go on a prayer walk with your family after breakfast or before dinner, asking God to give you direction on how to care for people in your neighborhood.
