Neighbor to Nations

In the middle of a global crisis, you may feel like there's little you can do to help, but we can still be the people of God, lights shining in a dark season. Our Sending team wants to come alongside you with suggested ways to love near and far. Here's what you can do this week:

LOCAL

How You Can Pray

- Pray for those who are on the frontlines of the pandemic, such as doctors and nurses.
- Pray for those in your neighborhood who have lost jobs or are struggling financially.
- Pray that God would use you to be a gospel light to those around you.

What to Do

- Leave cards on your neighbors' porches to let them know you're praying for them.
- If you or someone you know in our community is struggling with groceries or supplies, [let us know](#) so we can help.
- It's never been easier to share the gospel with others. Use [this guide](#) for turning everyday conversations into spiritual ones.

GLOBAL

How You Can Pray

- Pray for the "G" family, missionaries to South Asia, who are on furlough:
 - *That God would provide housing, transportation, and furniture for them while they are home*

- *That God would refresh and restore their family*
- *That God would give them peace as they are away from their team in South Asia*
- Pray for our Muslim neighbors during Ramadan:
 - *Followers of Islam began fasting on Thursday, April 23, from sunrise to sunset and will continue until Saturday, May 23, to try to please Allah and earn their salvation*
 - *Pray that the Lord would break through and show them that Jesus is the Son of God who came to take away the sins of the world*

What to Do

- If you are interested in helping the "G" family with transportation or furniture, or if you'd like to join their support team, contact [Dani Kazlow](#).
- Read [this story](#) about a Chinese girl receiving her very first Bible. Pray that many more people in China would receive a copy of the Scriptures like Ling!
