# Neighbor to Nations

In the middle of a global crisis, you may feel like there's little you can do to help, but we can still be the people of God, lights shining in a dark season. Our Sending team wants to come alongside you with suggested ways to love near and far. Here's what you can do this week:

## LOCAL

### How to Pray

- Pray for those in your neighborhood who are struggling due to sickness, loss of a job, or financial stress.
- Pray that God would use you to be a gospel light and witness to your neighborhood.

### What to Do

- For the past few months, our members have been helping those in need in our community with groceries, clothing, yard work, gas, diapers and wipes, formula, and more. Do you have a need we can help meet? [Let us know](#) so we can serve you.
- It's never been easier to share the gospel with others. Check out this simple and helpful [guide](#) that walks you through turning everyday conversations into spiritual ones.
- Call up a doctor or nurse whom you know and pray for them! You could also order a meal or flowers to be delivered to them.
