# Neighbor to Nations

In the middle of a global crisis, you may feel like there's little you can do to help, but we can still be the people of God, lights shining in a dark season. Our Sending team wants to come alongside you with suggested ways to love near and far. Here's what you can do this week:

## LOCAL

### How to Pray

- Pray that the Lord would unite the Church during this time.
- Pray that you would look at your neighborhood as a place to work toward reconciliation.
- Pray that God would identify one person you can pray for and talk with in your neighborhood.
- Take a walk around your neighborhood and pray for the houses you walk by. If you see someone else outside, engage them in conversation and ask how you can pray for them.

### What to Do

- Want to talk to your friends or neighbors about Jesus? [Alpha Groups](#) invite anyone and everyone to explore the Christian faith and can help you have conversations about God. We're looking for both leaders and participants!
- Help us hand out food to families in need at LISD locations on Tuesdays throughout the summer! [Sign up here.](#)
- For the past few months, our members have been helping those in need in our community with groceries, clothing, yard work, gas, diapers and wipes, formula, and more. Do you have a need we can help meet? [Let us know](#) so we can serve you.
- Make cards or drawings and drop them off on porches to let your neighbors know that you're praying for them.
