Neighbor to Nations

In the middle of a global crisis, you may feel like there's little you can do to help, but we can still be the people of God, lights shining in a dark season. Our Sending team wants to come alongside you with suggested ways to love near and far. Here's what you can do this week:

LOCAL

How You Can Pray

- Ask God how you can engage your neighbors in this season.
- Ask God to give you a burden for the lost in your neighborhood.
- Pray that God would show you how to be the body of Christ to your neighbors.

What to Do

- This week, invite a neighbor to share a meal with you (best done in a park or backyard where you can spread out).
- Want to talk to your friends or neighbors about Jesus? [Alpha Groups](#) invite anyone and everyone to explore the Christian faith and can help you have conversations about God. We're looking for both leaders and participants!
- For the past few months, our members have been helping those in need in our community with groceries, clothing, yard work, gas, diapers and wipes, formula, and more. Do you have a need we can help meet? [Let us know](#) so we can serve you.

GLOBAL

How You Can Pray

- Pray for the Smith family
 - *That God would open a door for them in Thailand as they try to acquire visas*
 - *That Allyson would be strengthened as she is deployed to San Antonio to help COVID-19 patients*

What to Do

- Mark your calendars for [The Mission of God](#), a new class coming this fall! Learn about God's heart for the nations and the unique role you have to play. Registration opens July 27.
- Consider donating to [Lifeway Mission International](#), a TVC partner with a large presence in East Africa.
- Consider supporting [Pioneers](#), a missions organization that has been using digital media to reach the Arab world with the gospel.
