

SEPTEMBER 13, 2020

Neighbor to Nations

In the middle of a global crisis, you may feel like there's little you can do to help, but we can still be the people of God, lights shining in a dark season. Our Sending team wants to come alongside you with suggested ways to love near and far. Here's what you can do this week:

LOCAL

How to Pray

- Ask God how you can engage your neighbors in this season.
- Ask God to give you a burden for the lost in your neighborhood.

What to Do

- Want to talk to your friends or neighbors about Jesus? [Alpha Groups](#) invite anyone and everyone to explore the Christian faith and can help you have conversations about God.
- Pray that God would identify one person in your neighborhood you can pray for and talk with.
- Take a walk around your neighborhood and pray for the houses you walk by. If you see someone else outside, ask if you can pray for them.

GLOBAL

How to Pray

- Pray that our missionaries overseas would stay healthy and be used as lights to share the hope of the gospel with those around them.
- Pray for the Carley family as they continue to take steps to move their family to the Middle East:

- For financial provision
- For intimate time together as a family and with friends as they say goodbye
- For safety in travel and transition

- Continue to pray for Beirut as they recover from two deadly explosions last month that left many homeless.
