

Neighbor to Nations

The Village Church exists to love God, love people, and make disciples of Jesus Christ, and there are many ways you can do that both near and far. Our Sending team wants to come alongside you with suggestions on how to shine the light of Christ locally and globally. Here's what you can do:

GLOBAL

How You Can Pray

- Pray for the Carley family as they have landed in the Middle East and have started to create new rhythms of life:
 - *For language lessons as they begin learning*
- Pray for the Farmer family in Tokyo as they plan for the season ahead:
 - *That the Lord would use their Advent gathering to reach the people of Tokyo*
 - *That their church would continue to grow and develop a core group of members*
 - *For their weekly International Gospel Cafe event, where they discuss deep topics that aren't typically addressed in Japan*
- Pray for the Beard family as they move overseas to minister to unreached people groups in the Middle East.
- Pray for the García family as they return from Spain to rest and recharge.
