TVC Spring Semester

Digital Quick Guide

As a part of our 2030 vision, we desire for every stage of life, all generations, to have a portion here. We are not just a church who gathers at weekend services. A vital element for our growth and discipleship is our midweek programming like Recovery, Men's and Women's Bible studies, Practice Groups, Outreach Training, and Home Groups.

Below you will find the open registrations for our next semester of classes and groups. While we do have programming that runs all year long, there are certain offerings that run on a more formal schedule, offered only in the Fall or Spring semesters of the year, and also require registration, as spots are limited. To see the full scope of everything that TVC offers, take a look at our **Year-at-a-Glance catalog**, which helps to explain all of the ways you can get involved, including volunteer opportunities! You can also view all of our events on our **Events page** on the website.
