MARRIAGE SUPPORT & CARE

Come to Recovery

Wednesdays
6:30 p.m. – 8:30 p.m.
No registration required.

Recovery offers a safe place to pursue healing and freedom in Christ due to sin, suffering, or oppression. The first hour includes large group teaching, testimony, and a time of worship. During the second hour, we break into open share groups based on gender and topic for connection and sharing. These groups can be a great entry point for seeking healing, support, or freedom from the bondage of sin.

Recovery

Wednesdays
6:30 p.m. – 8:30 p.m.
Open registration, come as you are!

Recovery offers a safe place to pursue healing and freedom in Christ due to sin, suffering, or oppression. We use three broad categories to help inform us on how to provide care and foster healing.

The groups offered can change depending on the availability of attendees and leaders.

Care Advocates

Applications accepted throughout the year

Care Advocates exist to point people toward hope in Jesus through one-on-one discipleship and the ministry of presence. We serve the broken and suffering in the categories of perpetrators and victims of domestic abuse, marriage, grief, and long-term illness.

Counseling Referrals

We partner and refer to professional counselors who help us care for the people of TVC and the local community. Email care@thevillagechurch.net for counseling referrals.
