**“For my thoughts are not your thoughts,
neither are your ways my ways,
declares the LORD.”**

—ISAIAH 55:8

A Vision Fulfilled

Four years ago, The Village Church was growing rapidly. Weekly attendance exceeded 10,000 across five campuses, and our church’s influence in DFW continued to climb.

It was easy to imagine more TVC campuses sprouting up across the Metroplex. The Lord was certainly using our one church in multiple locations to spread the gospel and change lives, and it seemed perfectly logical that He would have us expand even further.

As it turned out, He did—just not in the way anyone was expecting. After much prayer and consideration, our elders felt compelled by the Holy Spirit to increase our reach by decreasing our locations through the effort of church planting.

They presented a plan called "Multiply" to the church body, which would begin transitioning our five campuses into autonomous churches that would be better equipped to minister in their local contexts, just as we had done with our Denton campus in 2015.

We committed to rolling off all of our campuses by 2022, and by the grace of God, that has finally come to pass. On July 4, 2021, our Southlake campus celebrated its first service as Restoration Church, joining The Village Church Denton, Citizens Church, Northway Church, Redemption Story Church—and The Village Church—in autonomy. Your generosity has helped establish these healthy churches, and we can’t wait to see what the Lord does in Denton, Plano, Dallas, Fort Worth, Southlake, and Flower Mound in the years to come.

To see a full history of how our church, a church planted by churches, continues to participate in the spreading of the gospel through church planting efforts, visit the History page on our website.

Calling All Explorers

VBS 2021 kicked off on June 14, and our kiddos experienced a week of learning about God and His Great Big Book at home with their families. While circumstances outside of our control kept us from hosting it on our campus, this year's unique VBS provided us with some new opportunities.

Preparing materials for a week of fun at home was no small task, but our VBS team was up to the challenge. Many hours were poured into making sure that boxes were stuffed, lessons were written, skits were filmed, and more. Both volunteers and staff members worked hard to ensure that VBS would run as smoothly as possible for families at home. It was a joy to see so many God-given gifts on display to produce an experience that highlighted the wonder of God's Word.

Easily the most exciting aspect of VBS at home was the chance for hundreds of parents to practice family discipleship with their kids—many of them for the first time. We believe in the value of partnering with parents to disciple their families, and VBS was a perfect example of what that looks like. Moms, dads, and caregivers throughout our community read the Bible, made s'mores, and built tents with their kids this summer, and the gospel of Jesus Christ rang through hundreds of homes. What a beautiful thing!

Generosity Multiplied

On Sunday, June 6, Pastor Matt invited our people to give to our church planting efforts. He set a goal of raising \$100,000 in one weekend that would be used to continue planting churches that plant churches. By the next Sunday, we had raised over \$600,000, far exceeding our initial goal and paving the way for future ministry and allowing us to significantly speed up our timeline on several planting opportunities.

Time and time again, we have been blown away by your generosity. The people of The Village truly believe in the power of God to take our resources and multiply them, spreading the good news to the ends of the earth.

**Thank you for giving to
support our mission to love
God, love people, and make
disciples of Jesus Christ.**

If you would like to set up a recurring gift or adjust your giving schedule, you can do so at vll.ge/givenow. You can also give by mailing a check to:
