BIBLE STORY

Jesus Dies and Comes Back to Life
Luke 23:46; 24:4–6

NOTE TO PARENTS

Families, you are loved, prayed for, and missed. Colossians 1:9–14 has been my prayer for you, “asking that you may be filled with the knowledge of his will in all spiritual wisdom and understanding... bearing fruit in every good work and increasing in the knowledge of God; being strengthened with all power, according to his glorious might, for all endurance and patience with joy.” Lean into the Lord; remember that God’s children have the Holy Spirit in them. He is guiding you, teaching you, and using you in the lives of your kids—even when you feel maxed out for the day. HE is able. The Lord is faithful, and He can work in and through you.

Moments

proclaiming the truth as you go

Explain these key concepts this week:

RESURRECTION Bringing someone back to life after they have died.

UNION WITH CHRIST Those who love and trust Jesus are in Christ so that whatever is true of Him is true of them.

EASTER The special Sunday that we celebrate and remember Jesus’ resurrection.

Milestones

remembering the work of God

This Sunday will be an Easter like no other. Many of our traditions, things we do to celebrate and mark Easter, will not be possible—at least in the typical sense. But might God be up to something special in the mess? What if this year the current constraints narrow our focus and attention sharply on the death and resurrection of Jesus in a new and fresh way? Maybe this year your family takes the time to mark and celebrate this most important day like you never have before.

Memory Verse

But God shows his love for us in that while we were still sinners, Christ died for us.

ROMANS 5:8
