

CREATE TIME  CAPTURE MOMENTS  AND CELEBRATE MILESTONES  TOGETHER

## BIBLE STORY

*Jesus Eats with His Disciples and Goes Back Up to Heaven*  
John 21:1–19

## NOTE TO PARENTS

*Households, we have been beyond encouraged by the conversations you are having at home. You truly are redeeming the moments you have been given in this unique time. As the weeks pile on top of each other, I am praying you keep going. Keep sowing gospel seeds, choosing to see what's right about your situation, and exercising mercy toward one another. Micah 6:8 reminds Israel to "Do justly, love mercy, and walk humbly with your God." May you model this for your children and those of the household of faith this week and beyond.*

## Moments

proclaiming the truth as you go

**CONFIDENCE IN THE FLESH** Thinking we know what is best instead of trusting that God knows what is best.

**CREDENTIALS** Our accomplishments. Sometimes our accomplishments can lead us to think we know what is best for us (confidence in flesh).

Talk about what it would have been like to have a meal with the resurrected Jesus as you use an outdoor fire pit to cook a meal or roast marshmallows.

## Milestones

remembering the work of God

By nature, spiritual milestones significantly shape our trajectory. This week we are well into the second month of the pandemic shutdown in our area. It's important to recognize that this shared milestone is ongoing, and while we've been in this new normal for a while, it's not over. Perhaps now is a good time to consider the positive changes brought on by this disruption. When this whole thing finally ends, what healthy things did your household start that you hope to keep, and are there unhealthy things you were forced to stop or change that you'll leave behind?

## Memory Verse

But God shows his love for us in that while we were still sinners, Christ died for us.

ROMANS 5:8
