BIBLE STORY

GBS Season 1, Bonus Episode:
Jesus Loves Zacchaeus
Luke 19:1–10

NOTE TO PARENTS

Family, we've all heard the saying "more is caught than taught" when it comes to our kids. This statement has me thinking—how can I try to be intentional about modeling what I am hoping they will learn? This week as we talk about repentance, how can I model repentance in a way that my kids can "catch" it? Maybe you have a better handle on this than I do, but I need to be quick to confess, even to my kids, when I have missed the mark with them. Times when I have not been slow to anger, times when I have been motivated from a selfish heart, or when I have not spoken kindly of someone. It's not a surprise to them that I do these things, but, if I can be honest about it with them, confess that it was wrong, and ask the Holy Spirit in front of them that I need help to turn from these things—maybe the Holy Spirit will help them to "catch" this for themselves.

forgive us our sins and
