BIBLE STORY

God Rescues Peter from Prison
Acts 12:6–19

NOTE TO PARENTS

Recently, my son began asking me lots of questions about death and dying. How do we die and then live in the presence of Jesus? Does God tell us to die? Does God get sad when people die? Such big and important questions weighing on his little heart and mind. Perhaps you've had some of the same questions in your home given this cultural moment. If so, be encouraged: they're the right questions, and because of them, we get to share the hope of the gospel. Jesus has conquered death, and one day those who love and trust Him will be with Him forever without fear or suffering or sorrow. The gospel is a sure, firm foundation in a world that feels like sinking sand.
