BIBLE STORY

The Holy Spirit is Given in Samaria
Acts 8:9–25

NOTE TO PARENTS

Happy Father's Day! In several conversations recently, I have heard it mentioned that on Mother's Day we honor moms and focus on what a great job they are doing, how much they love us and sacrifice for us, and how their hard work is often overlooked. And on Father's Day, well, those sentiments are often replaced with humor. Sorry about that, dads. I want you to know that you are respected and you are loved. Your kids love you and love time with you. They love how you play with them and how you aren't afraid to get down on their level. They love how you build things for them, fix things for them, and even explain things to them. Your words of love and encouragement to them will stay with them all of their lives. And how you love God will lay a foundation for how they view God because they trust you. You are loved—by your family and most importantly, by YOUR Heavenly Father. (1 John 2:14) Thank you!

Moments

proclaiming the truth as you go

MAGIC An amazing trick that seems true, but isn't. It is meant to show the power of the person doing the trick. It is the opposite of a miracle. A miracle is something amazing, that doesn't normally happen, that shows God's power.

SAMARIA A place between Judea and Galilee. The people who lived in Samaria weren't liked by Jewish people. They avoided them and treated them poorly.
