BIBLE STORY

God Sends Paul to Corinth
Acts 17

NOTE TO PARENTS

“It’s not about enjoying every minute ... it’s about enjoying the ones I can and making the most of the ones that are harder to embrace.” –Tricia Lott Williford

I read that in a parenting blog recently and it resonated with me. Especially in these days where it feels like every day is the same and yet things are also constantly changing. In regard to parenting, failure to have joy is often because I am expecting to enjoy every minute, when sometimes things are hard or just monotonous. But my source for joy can not be in my circumstances nor in my confidence in knowing what is coming next. I can enjoy the fun moments in our home, and I can make the most of the hard ones, knowing that God is my strength and my joy comes from Him.

“But I will sing of your strength; I will sing aloud of your steadfast love in the morning. For you have been to me a fortress and a refuge in the day of my distress.” –Psalm 59:16

Milestones

remembering the work of God

On August 2, we will celebrate the completion and prepare for the promotion of our Kindergarteners and 5th graders. Historically, we mark this milestone during our Sunday gathering through an event called Kinder & 5th Grade Blessing. Unfortunately, as with many other celebrations, this year won’t look the same and in-person celebrations won’t be possible. However, we have adapted the content and will provide a digital, at-home version for parents to leverage as you celebrate these ministry transition milestones. Parents of Kindergarteners and 5th Graders, you will receive an email in two weeks with details and instructions regarding this milestone.

Memory Verse

The earth is the Lord’s
and the fullness thereof,
the world and those
who dwell therein.
