- Looking at offering online (virtual) tutoring/academic support. Details aren't completely fleshed out yet, but they are trying to see if there would be any interest.
- Their residents work off a rewards based program to encourage healthy behavior and good decision making. They are rewarded with \$25 gift cards and special items when they achieve certain levels of points. If you would like to donate, we are always accepting gift cards to fast food restaurants in the area, clothing stores, etc. (Think Walmart, Target, Kohl's, and so on.)
- Donated meals – We cannot accept anything cooked at home, but restaurant prepared and delivered is welcome.
