

# Attributes of God

a study for kids on God's nature and character

All year long, we are going to walk through God's Big Story in the Bible. This is the story of God and His people. It is the story of God rescuing His children and making a way for them to be with Him forever. It is the story that makes up the whole Bible. The Bible is one book made up of hundreds of stories that all point to who God is and what He has done. Knowing who God is and what He is like is the most important thing we can learn, so each week this year as we read a story from God's Word, we will be learning an attribute of God. Join us by reading along in your Bible.
